The Release: A Ritual by Basil Kincaid

Aug 3-4, 2019

Sat, Aug 3; 5pm

Sun, Aug 4; 9am

In this Afro-surrealist performance, artist Basil Kincaid will create an immersive sensory experience to encourage the release of internalized trauma. In an intimate setting with only a small group of participants, Kincaid will bring together bodywork techniques, visual art, clothing props, and a sound component produced in collaboration with artist Damon Davis. Participants should be comfortable with physical touch by a professional bodyworker.
